

## Florence Cookies Policy

Our website uses cookies to distinguish you from other users of our website. This helps us to provide you with a good experience when you browse our website and also allows us to improve our site.

A cookie is a small file of letters and numbers that we store on your browser or the hard drive of your computer if you agree. Cookies contain information that is transferred to your computer's hard drive.

We use the following cookies:

**Strictly necessary cookies.** These are cookies that are required for the operation of our website. They include, for example, cookies that enable you to log into secure areas of our website, or cookies that remember information you have previously entered to complete a form as you proceed through a journey on our website.

**Analytical/performance cookies.** These cookies allow us to recognise and count the number of visitors and to see how visitors move around our website when they are using it. This helps us to improve our website and enhance users' experience.

**Functionality cookies.** These are used to recognise you when you return to our website. This enables us to personalise our content for you and remember your preferences (for example, your choice of language or region).

**Targeting cookies.** These cookies record your visit to our website, the pages you visit and the links you follow. We use this information to make our website and any advertising we may choose to display on it more relevant to your interests. We may also share this information with third parties for this purpose.

You can find more information about the individual cookies we use and the purposes for which we use them in the table below:
